PRESS RELEASE

### Vonschwanenflügelpupke Spring & Summer 2016 by CATRICE

At noon, the designer duo Vonschwanenflügelpupke presented their Spring & Summer Collection 2016 in the impressive location of the Kronprinzenpalais. All models received a professional make-up styling with CATRICE products for the show. Loni Baur as Head of Make-up created the trendsetting beauty look in collaboration with CATRICE.

The focus is on a soft and natural look with clearly accentuated lips and subtle, shimmering eyes, while the cheeks are given a feminine touch with a fresh rosé shade.

Here is the step-by-step guide:

Step 1: First, cleanse the skin thoroughly and create a “flawless skin” look with the help of the **Nude Illusion Make Up**. This product conceals irregularities of the skin, redness as well as light circles under the eyes for a fresh and clear complexion.

Step 2: Get your brows in shape with the brush of the **Eye Brow Stylist** and then use the powdery texture to fill in any gaps for a natural finish.

Step 3: For fresh accents on the cheekbones, combine the **Defining Blush 020 Rose Royce** and the **Defining Blush 080 Sunrose Avenue** and apply with a **Blush Brush**.

Step 4: The taupe Mono Eyeshadow **Absolute Eye Colour 890 Here Comes The Bright!** Is applied on the lids as a base and blended outward. Next, apply the **Infinite Shine Lip Gloss 180 Champagne Is In The Air!** on your lid to achieve a softly shimmering finish.

Step 5: The lips are beautifully emphasised with the **Ultimate Stay Lipsticks**. Combine the colours **130 Rusty's Gold & Treasure** and **090 IrrCORALbly Pink** and dab on your lips for a light, soft lip contour.
