PRESS RELEASE

## Nobi Talai Spring & Summer 2016 by CATRICE

This morning, Nobi Talai presented the Spring & Summer Collection 2016 in the impressive location of the Kronprinzenpalais as part of the Berliner Mode Salon (Berlin Fashion Salon). All models received a professional make-up styling with CATRICE products for the show. Loni Baur as Head of Make-up created the trendsetting beauty look in collaboration with CATRICE.

Just like the new collection, the beauty look thrives on its exciting duality: perfectly aligned shades create a soft colour gradient. The complexion is smooth and perfectly contoured while the brows provide the face with a perfect frame - clean, cool and contemporary.

Here is the step-by-step guide:

Step 1: First, cleanse the skin thoroughly. Apply a thin layer of the **Nude Illusion Make up** and blend with the **Camouflage Cream**. This conceals irregularities, redness as well as light circles under the eyes for a flawless, fresh and clear complexion.

Step 2: The eyebrows are visibly thickened with the help of the **Longlasting Brow Definer**, and irregularities are evened out. Accurate lines ensure perfectly defined brows.

Step 3: Two eyeshadows are applied on the moveable part of the eyelid. Combine the **Absolute Eye Colour 790 I Wear My Plum Glasses At Night** and **Absolute Eye Colour 750 New In Brown** and then blend upwards for a gorgeous, gradually fading colour gradient.

Step 4: Trace the **Longlasting Eye Pencil Waterproof 040 Karate With Bronze Lee** along the upper lash line.

Step 5: Give your lashes a natural shape with the help of the **Lash Brow Designer Shaping And Conditioning Mascara Gel 010**.

Step 6: Contour the cheeks with the dark shade of the **Prime & Fine Professional Contouring Palette 010 Ashy Radiance** and then add natural accents with the **Defining Blush 035 Robin Wood**.

Step 7: For a light shimmer, apply the highlighter from the **Contouring Palette** used in Step 6 on the cheekbone and set it in place with the **Highlighting Powder 010 Stardust**.

Step 8: To create a soft colour gradient on the lips, first apply the **Ultimate Colour Lip Colour 380 Nude-Tastic** on the outer lip contour. Next, combine the **Ultimate Stay Lipstick 150 Chocolate Kiss** and **Ultimate Stay Lipstick 070 Plum & Base** and blend outwards from the centre of the lips. Depending on the natural colour of your lips, use the **Ultimate Stay Lip Liner 040 Love The Way You Plum** to outline your lips.

Step 9: Paint your nails with the golden **Ultimate Nail Lacquer 24 The GlamoureXFactor** and apply the **Silk Matt Top Coat** on top for a matt finish.
