

ISABELL DE HILLERIN
BERLIN

PRESS RELEASE

Isabell de Hillerin Spring & Summer 2016 by CATRICE

Isabell de Hillerin presented the Spring & Summer Collection 2016 in the impressive location of the Kronprinzenpalais as part of the group exhibition at the Berliner Mode Salon. All models received a professional make-up styling with CATRICE products for the group presentation.

In collaboration with CATRICE, Loni Baur as Head of Make-up created an extremely wearable beauty look that stands out with its softly iridescent colour gradient on the eyelids. At the same time, the complexion looks fresh and the lips remain natural.

Here is the step-by-step guide:

Step 1: First, cleanse the skin thoroughly and create a “flawless skin” look with the help of the **Nude Illusion Make Up**. This conceals irregularities and redness for a fresh and clear complexion. Next, accentuate the contours of your face with the **Prime And Fine Professional Contouring Palette 010 Ashy Radiance**. A subtle, apricot blush like the **Defining Blush 030 Love and Peach** sets fresh highlights.

Step 2: Get the brows into perfect shape with the brush of the **Eye Brow Stylist**.

Step 3: To achieve a smooth colour gradient and reduce redness around the eyes, apply a combination of the **Absolute Eye Colour 660 Ice White Open** and the lighter shades from the **Absolute Bright Eyeshadow Palette** as well as the **Eye'Matic Eyepowder Pen 030 Champagne On Me** on the upper lid and blend. As the next step, shade the crease of the lid with the darker shades of the Bright Palette mixed with the **Absolute Eye Colour 920 Game Of Stones** using a brush. Also discreetly emphasise the inner corners of the eyes.

Step 4: Trace a fine line along your eyelid with the **Multi Style Matt Eyeliner 010 Black**. Separate the lashes with a layer of the **Jet Lash Speed Volume Mascara Ultra Black 010 Ultra Black**.

Step 5: Depending on the individual lip tone, slightly reduce the colour and apply the **Beautifying Lip Smoother 020 Apricot Cream** for a gorgeous shine.
