

MICHAEL SONTAG

PRESS RELEASE

Michael Sontag Spring & Summer 2016 by CATRICE

Michael Sontag presented the Spring & Summer Collection 2016 in the impressive location of the Kronprinzenpalais as part of the group exhibition at the Berliner Mode Salon today. All models received a professional make-up styling with CATRICE products for the group presentation. Loni Baur as Head of Make-up created the trendsetting beauty look in collaboration with CATRICE.

The focus is on a relaxed, elegant look with a special touch thanks to elaborately implemented accents on the eyes and nails.

Here is the step-by-step guide:

Step 1: First, cleanse the skin thoroughly and create a natural, smooth complexion with the help of the **Camouflage Cream**. Make irregularities, small flaws and shadows disappear. For an especially pure look, only apply the Camouflage Cream lightly or on any necessary areas.

Step 2: Comb the brows into shape with the brush of the **Eyebrow Stylist** and use the powdery texture of the colour **040 Don't Let Me Brow'n** to define and create a darker finish on the brows. Depending on the type, apply a darker shade if necessary.

Step 3: Apply the **Kohl Kajal 140 Chocwaves** on the centre of the moveable eyelid and blend up to the eyebrow with your finger. For a soft-satin shimmer, apply the **Satin Stay Cream To Powder Eyeshadow & Liner 060 Nothing Else MUDders** on top.

Step 4: Use the Camouflage Cream to slightly mute the natural colour of the lips. Next, outline the contours with the **Longlasting Lip Pencil 160 Sweet Nothing** and blend with your finger.

Step 5: The nails ensure an edgy effect with a round drop. Apply the **Silk Matt Top Coat** on the entire nail for a satin matt finish and then add a small, circular drop of the bright red nail polish **Ultimate Nail Lacquer 52 Where Is My Ferrari** in the centre of each nail. Leave to dry well.
