Augustin Teboul Make-Up Autumn & Winter 2016/17 by CATRICE

Yesterday afternoon, Augustin Teboul presented the Autumn & Winter Collection 2016/17 in the impressive location of the Kronprinzenpalais as part of the Berliner Mode Salon (Berlin Fashion Salon). All models received a professional make-up styling with CATRICE products for the show.

Loni Baur as Head of Make-up created a soft and natural beauty look with a focus on expressive lips in collaboration with CATRICE – a perfect dialogue between a cool nude and contrasting red.

Here is a step-by-step guide to creating the make-up of the show:

Step 1: First, the skin is primed to create perfectly defined facial features with the help of the **Allround Contouring Palette** and the **Prime And Fine Professional Contouring Palette 010 Ashy Radiance**. Take special care to shade the temples.

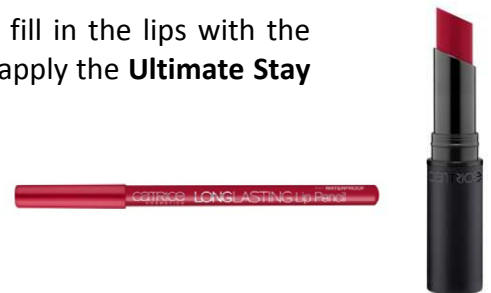

Step 2: Fill in small gaps in the brows with the sponge applicator of the **Velvet Brow Powder Artist**. Then use the brush of the **Eyebrow Stylist** to brush them into a cool and sporty shape.

Step 3: The eyes are only subtly emphasized to ensure a natural look. Blend a combination of the colours in the **Absolute Matt Eyeshadow Palette 010 Eyes Wide Matt** on the ball of the eye. Next, use the darker shade of the **Prime And Fine Professional Contouring Palette 010 Ashy Radiance** for shading.

Step 4: For especially intensive lip results, first contour and fill in the lips with the **Longlasting Lip Pencil 130 Prince Cherry** as a base and then apply the **Ultimate Stay Lipstick 100 Red Red Shine** on the upper and lower lip.

Step 5: Paint your nails with the **CC Care & Conceal 06 Perfecting Pale Almond** for a gorgeous nude look.
